

CRITICAL FACILITIES ROUND TABLE

1st Meeting of the Energy Committee

hosted by

Pacific Gas & Electric

851 Howard Street - Pacific Energy Center

Friday 7/21/06 from 8:30 AM to Noon

"What California's Utilities Want You to Know"

HOW TO DRAMATICALLY IMPROVE YOUR ENERGY UTILIZATION WHILE GETTING PAID TO DO IT

Dear Members and Guests of the Critical Facilities Round Table,

Please accept this invitation to our exciting 1st meeting of the ENERGY COMMITTEE of the Critical Facilities Round Table. Our meeting will be hosted by Pacific Gas & Electric at their Pacific Energy Center in downtown San Francisco. All parties interested in the subject of Critical Facilities Energy issues are invited to attend this event at no cost.

Bill Dunckel has graciously accepted the role of Energy Committee Chairman. Bill is PG&E's Sr. Project Manager responsible for Customer Energy Efficiency Programs implementation for High Technology Buildings. He can be reached at 408-282-7164 with any questions about his plans for future activities.

We will kick-off the committee's direction with a presentation on the many government and utility programs available to critical facilities operators, and explain how they can help us finance energy improvements in our critical facilities. And, we will have a second presentation about what facilities managers are doing today to improve the energy utilization in their data centers.

Finally, Bill will lead a discussion focused on how CFRT members and guests can benefit from energy improvements, take energy leadership positions in our companies, and make plans on how to move forward effectively.

DATE & TIME: Friday, July 21, 2006 from 8:30 AM to Noon

LOCATION: the Pacific Energy Center - 851 Howard Street, San Francisco

DIRECTIONS: Freeway 101/ 80 to 5th Street San Francisco exit North to Howard and turn right (east) to 851 on left between 4th and 5th, parking is available at the 5th and Mission Street garage for about \$20 (two blocks past Howard), or take BART to the Powell Street exit and walk about three blocks South to Howard.

AGENDA

08:30 Coffee, Juice and Light Breakfast Snacks
PG&E for providing the resources for this event
